PROTECTING GOD'S CHILDREN

DID YOU KNOW?

“Friend” your children online

One way to keep up-to-date on what your children are doing online is to actively follow their accounts on social media. Consider including a “friend” policy in your family’s social media rules, where your child has to accept your friend request and give you open access to what they are viewing and posting. Make sure you have your children turn off any settings that allow them to limit how much information friends can view on their pages. You might also consider sharing a password so you can access their direct messages. For more information, read the VIRTUS® article “5 Keys to Monitoring Kids Online Activity” at lacatholics.org/did-you-know/Read the VIRTUS® article “5 Keys to Monitoring Kids Online Activity”.

PROTEGIENDO A LOS NIÑOS DE DIOS

¿SABÍA QUE?

“Amigo” de sus hijos en línea

Una forma de mantenerse actualizado sobre lo que hacen sus hijos en línea es seguir activamente sus cuentas en las redes sociales. Considere incluir una política de “amigo” en las reglas de redes sociales de su familia, donde su hijo debe aceptar su solicitud de amistad y darle acceso abierto a lo que está viendo y publicando. Asegúrese de que sus hijos desactiven cualquier configuración que les permita limitar la cantidad de información que sus amigos pueden ver en sus páginas. También usted puede considerar compartir una contraseña para poder acceder a sus mensajes directos. Para obtener más información, lea el artículo en inglés de VIRTUS® “5 Keys to Monitoring Kids Online Activity” (5 claves para monitorear la actividad en línea de los niños) en lacatholics.org/did-you-know/.
