**THE HOLY FAMILY
OF JESUS, MARY AND JOSEPH**

Today's Readings: 1Samuel 1:20-22,24-28; 1 John 3:1-2, 21-24; Luke 2:41-52

TREASURES FROM OUR TRADITION

Tonight, at the turning of the year, you may catch a glimpse of the old year, a cartoon figure of a hunched old man with a sickle, Father Time. Where else but in this column could you learn that this is in fact a pope? December 31 was in the old calendar the feast of St. Sylvester. Legend says that Sylvester healed the Emperor Constantine of leprosy, and presided at the liturgy of baptism for the grateful Emperor. In 314, he was chosen pope, and it fell to him to organize the peacetime church, free at last from persecution. He founded the Lateran Basilica, the cathedral of the Diocese of Rome.

In northern Europe "Sylvester Night" is a time of great parties with eating, dancing, and singing—recalling perhaps the joy of the church in the fresh air of Sylvester's papacy. In Poland, there was great fear as the year 1000 approached that an immense dragon would devour the earth and set fire to the heavens. The people prayed earnestly to St. Sylvester, trusting that the saint would not permit such suffering on his feast day. They've been celebrating ever since!

Many New Year's customs have pagan roots, like the British "First Footer" tradition. The idea is that the first person setting foot into your house in the new year determines the luck for the year ahead. The ideal first footer was not a bit like old Pope Sylvester, but rather a tall, dark-haired man carrying the right gift. A handsome first footer meant the year ahead would be pleasant, and if he carried bread or a shovel of coal there would be food and warmth in the future. Who will be your household's first footer?

FAMILY LIFE

Family life is sacred, but it is not without trial. Perhaps this is the most important message we can glean from today's readings. If Jesus, Mary and Joseph can trip up sometimes—can disconnect—then we shouldn't find it surprising when such things happen to us as well. And parents everywhere (children, too) can probably relate to—and take some solace in—the Gospel's account of Mary and Joseph after Jesus explained why he stayed behind in the temple. They heard his words, Luke tells us, "But they did not understand what he said to them" (Luke 2:50). Amen! Nevertheless, Jesus does go back home with them, and continues to thrive under their care.

The following is a continuation of the bulletin articles provided by the Archdiocese of Los Angeles in an ongoing effort to

“Protect our Children”

DID YOU KNOW?

Child sexual abuse is a great deal more prevalent than many imagine. In fact, studies tell us that one in 10 adult men and one in five adult women say that they were molested before the age of 18. That means that, directly or indirectly, child sexual abuse will touch most of us during our lifetime. And, although we would like to believe that most accusations are false, the facts tell us that children rarely lie about being molested. In fact, they rarely tell anyone at all. An adult study about the prevalence of sexual abuse found that 42 percent of the men and 33 percent of the women who were victimized had never told anyone. To learn more about how to identify and prevent potentially abusive behavior, please call the Los Angeles Archdiocese’s Safeguard the Children Program Office, (213) 637-7227.

For particular help you may call Sr. Sheila McNiff, Director of Assistance Ministry at (213) 637-7650.

¿SABE USTED?

El abuso sexual de menores es bastante más prevalente de lo que muchos se imaginan. De hecho varios estudios nos revelan que uno de cada diez hombres adultos y una de cada cinco mujeres confiesan que fueron molestados sexualmente antes de cumplir los 18 años. Esto significa que, directa o indirectamente, el abuso sexual de menores nos va a afectar durante nuestra vida. Y, aunque nos gustaría creer que la mayoría de las acusaciones son falsas, los hechos nos confirman que los niños raras veces mienten cuando hablan de su abuso. De hecho, es raro que se lo digan a alguien. Un estudio sobre adultos para saber la extensión del abuso sexual descubrió que el 42 por ciento de los hombres y el 33 por ciento de las mujeres que habían sido víctimas no lo habían nunca mencionado a alguien. Para saber más sobre cómo identificar y prevenir posibles comportamientos abusivos, llame, por favor, a la oficina del programa “Protegiendo a Los Niños” de la Arquidiócesis de Los Angeles, al (213) 637-7227.

Para obtener ayuda usted puede Hamar a la Hermana Sheila McNiff, Directora de la Oficina del Ministerio de Ayuda, al 213-637-7650.
