We are thankful to the Lord and blessed that we can provide opportunities for religious education and faith formation to almost 600 families that include approximately 850 children. Unfortunately, due to various financial hardships, some of our families are not able to cover the cost of the program for their children. If you would like to sponsor a child, the following options include:

- Continuing Education \$60
- Eucharist Year 1 \$70
- Eucharist Year 2 \$85
- Middle School \$80
- Confirmation \$120

OR any amount donated would be greatly appreciated.

Please make checks payable to **St. John Vianney and submit to the Corpus Christi Center c/o Ministry of Religious Education**. Thank you for your support.

HELP FIGHT HUNGER

The Alan Shawn Feinstein Foundation is once again dividing one million dollars to non-profit organizations to help fight hunger. During the months of **March and April** all money donations made to the **“SJV Food Pantry”** will be matched by the Feinstein Foundation. If the total donations raised by all non-profit organizations exceeds one million dollars, the Feinstein million will be divided proportionately among all participants.

So please help fight hunger by generously donating to our Food Pantry during these two months.

“Protect our Children”

DID YOU KNOW?

Internet spammers target kids, too.

Does your child know what to do when he or she gets an e-mail from an unknown person? If you are allowing your children to communicate with others online, be aware that they will be exposed to spam. The easiest way to avoid spam is to make sure that your children do not give out their personal information or e-mail address to anyone they do not know. Adjust the security settings on their e-mail account to filter or block unwanted messages. Encourage your children to delete any messages they get from anyone they don't know. Even when your children get e-mail or Instant Messages from people they know, make sure that they scan everything they are downloading onto the computer for viruses first. You can do this by making sure that you have your antivirus software up to date.

For particular help you may call Sr. Sheila McNiff, Director of Assistance Ministry at (213) 637-7650.

¿SABE USTED?

Los “spammers” de Internet atacan a los niños también.

¿Sus hijos saben lo que deben hacer cuando reciben correo electrónico de alguna persona desconocida? Si usted permite a sus hijos que se comuniquen con otros en línea, este consiente que ellos estarán expuestos al “spam”. La manera más fácil de evitar el “spam” es cerciorarse de que sus hijos no den sus datos personales o dirección del e-mail a personas que no conocen. Para filtrar o bloquear mensajes no deseados, ajuste la configuración de seguridad de la cuenta de e-mail. Motive a sus hijos a que borren todos los mensajes que reciban de cualquier desconocido. Aun cuando sus hijos reciban correo electrónico o mensajes instantáneos de personas conocidas, cerciórese de que lo que estén transfiriendo este limpio de cualquier virus. Usted puede hacer esto cerciorándose de tener su software antivirus actualizado.
