DID YOU KNOW?

Road to priesthood involves a rigorous formation process

Seminary formation involves much more than academic study. Prior to ordination, a candidate for priesthood goes through a lengthy evaluation period, including an internship during which he lives in a rectory and works with priests, staff and parishioners. During this time, the candidate is judged as to his suitability to be a priest. No one is ordained unless the staff of St. John's Seminary, including the lay faculty and formation advisers, concludes that the candidate has attained an emotional, psychological and sexual maturity appropriate for his age and for the celibate life of a priest. For more information please visit www.la-archdiocese.org and click on the "Vocations" tab.

For particular help you may call Assistance Ministry at 213-637-7650.

¿SABE USTED?

El Camino al Sacerdocio un Proceso de Formación Muy Riguroso

La formación en el seminario requiere más que los estudios académicos. Antes de la ordenación, el candidato al sacerdocio debe pasar por un largo proceso de evaluación, incluyendo un trabajo como interno durante el cual él vive en la rectoría y trabaja con sacerdotes, empleados y feligreses de la parroquia. Durante este tiempo el candidato es evaluado sobre su compatibilidad para ser sacerdote. Nadie es ordenado sin que el personal del Seminario de St. John, incluyendo el personal laico y los consejeros de formación, concluyan que el candidato haya madurado de un modo apropiado a su edad emocionalmente, psicológicamente, y en su sexualidad, y para la vida de celibato de un sacerdote.
