ON THE ROAD

One central metaphor employed to describe the Christian life is a journey. In today's second reading, Peter addresses the early Christian community: "Conduct yourselves with reverence during the time of your sojourning" (1 Peter 1:17). When we think of a journey, we normally think of some kind of movement from point A to point B. The Christian journey, begun in the waters of baptism (point A) has as its ultimate destination eternal life with God in heaven (point B). Unfortunately we find ourselves on all kinds of detours along the way. Because of sin, we make foolish turns and sometimes seem unable to detect the presence of the Lord. Today's story of the two disciples on their way to Emmaus illustrates for us the fact that, even when we are dejected or on one of our many detours, the Lord is there, walking right beside us.

HELP FIGHT HUNGER

The Alan Shawn Feinstein Foundation is once again dividing one million dollars to non-profit organizations to help fight hunger. During the months of **March and April** all money donations made to the **"SJV Food Pantry"** will be matched by the Feinstein Foundation. If the total donations raised by all non-profit organizations exceeds one million dollars, the Feinstein million will be divided proportionately among all participants. So please help fight hunger by generously donating to our Food Pantry during these two months.

Protecting our Children

The need to keep avenues of communications open is critical for us as an Archdiocese.

DID YOU KNOW?

Recognizing signs of child sexual abuse.

Changes in behavior, extreme mood swings, withdrawal, fearlessness, excessive crying, bed-wetting, nightmares, fear of going to bed, sleep disorders and a fear of certain places, people or activities can be signs that a child has been traumatized by sexual abuse. Through its Safeguard the Children program the Archdiocese of Los Angeles provides abuse prevention training for parents, teachers and others who work with children. This training helps adults to identify and prevent behaviors that may lead to abuse. It also provides parents and others with techniques for talking to children who may be a risk of being abused by others. Contact your parish Safeguard the Children Committee for more information about an abuse prevention training program in your area.

For particular help, you may call Assistance Ministry at 213-637-7650.

¿SABE USTED ?

Reconociendo las Senas del Abuso Sexual de Menores

Cambio de comportamiento, cambio en el estado de animo, síntomas de abstinencia, sin miedo, llanto excesivo, incontinencia urinaria nocturna, pesadillas, miedo de irse a la cama, sueño trastornado y miedo de ciertos lugares, miedo a la gente o a actividades pueden ser muestras que un niño ha sido abusado sexualmente. A través del Programa Protegiendo a Los Niños, la Arquidiócesis de Los Angeles proporciona entrenamiento de prevención para padres, maestros y para otras personas que trabajan con niños. Este entrenamiento ayuda a adultos a identificar y a prevenir los comportamientos que pueden conducir al abuso. También provee a padres y otras personas la técnicas para hablar con los niños que pueden estar en riesgo de ser abusados por otros. Comuníquese con el comité Protegiendo a Los Niños para obtener más información sobre entrenamiento de programas de prevención en su área.

Para obtener ayuda, llame a la Oficina del Ministerio de Ayuda al 213-637-7650.
