Protecting our Children

The need to keep avenues of communications open is critical for us as an Archdiocese.

DID YOU KNOW?

Teach kids to protect themselves at home.

We consider our homes to be safe places for our children. But being home alone can pose risks for children. Here are a few tips to teach kids that will help keep them safe when you are not with them at home: Never answer the door if alone. Do not invite anyone in the house without the permission of a parent or babysitter. Do not tell anyone on the phone that your parents are not home. Instead tell them that your parents cannot come to the phone and take a message. For more tips, please visit: www.kidsave.com.

For particular help, you may call Assistance Ministry at 213-637-7650.

¿SABE USTED ?

Enseñe a Sus Hijos Como Protegerse Cuando Están Solos en Casa

Consideramos que nuestros hogares son lugares seguros para nuestros hijos. Pero el estar solos en casa puede exponer riesgos para ellos. Aquí están unos consejos para enseñarle a sus hijos a estar seguros cuando están solos en casa: Nunca habrán la puerta cuando están solos. No inviten a nadie a entrar a la casa sin el permiso de un padre o niñera. No le digan a nadie por teléfono que sus padres no están en casa. Mejor dígalos que sus padres no pueden venir al teléfono y tomen un mensaje. Para obtener más consejos, visite la página de Internet www.kidsave.com.

Para obtener ayuda, llame a la Oficina del Ministerio de Ayuda al 213-637-7650.
