PROTECTING GOD'S CHILDREN

DID YOU KNOW?

Why is it important to screen volunteers and staff?

A screening process for hiring new staff members or volunteers is critical to protecting children, because this process makes it harder for abusers to gain access to potential victims. When organizations are careful about screening, it sends a message that they are committed to preventing child abuse. Screening practices can include requiring standard application information, or thorough references and criminal background checks. For more information on screening processes, read the VIRTUS® article "The Importance of Screening and Selecting Employees and Volunteers" at lacatholics.org/did-you-know/.

PROTEGIENDO A LOS NIÑOS DE DIOS

¿Por qué es importante evaluar a los voluntarios y al personal?

Un proceso de selección y evaluación para contratar a nuevos miembros del personal o voluntarios es fundamental para proteger a los niños porque este proceso dificulta que los abusadores tengan acceso a las víctimas potenciales. Cuando las organizaciones tienen cuidado con la selección, envían un mensaje de que están comprometidas con la prevención del abuso infantil. Las prácticas de selección pueden incluir solicitar información en una aplicación estándar, o referencias exhaustivas y verificación de antecedentes penales. Para obtener más información sobre los procesos de selección y evaluación, lea el artículo en inglés de VIRTUS® "The Importance of Screening and Selecting Employees and Volunteers" (La importancia de evaluar y seleccionar empleados y voluntarios) en lacatholics.org/did-you-know/.
