- **What is Alpha?**
- **Who is it for?**
- **Why do we need Alpha in our parish?**

Here's what Catholic Priests and Bishops are saying about Alpha:

Fr Raniero Cantalamessa, Preacher to the Papal Household, Vatican

"All those who love Jesus love evangelization... "
One of the advantages of Alpha is that it focuses on Kerygma. In the ancient Church, there was a clear distinction between the Kerygma and the Didache, the catechesis. The Kerygma was the starting point of faith, and the catechesis had to form the faith. But faith in itself blossoms only by hearing the Kerygma...I especially appreciate the ecumenical spirit of Alpha: there is no pressure on anybody to join a different denomination, but just to join Jesus."

Join us on beginning
Wednesday, March 13th @6:30 pm in Room 6
Come for dinner and fellowship
and dare to ask the questions
you've wanted to ask.

Sunday and daily Masses, Baptisms, Weddings, Anniversaries, Quinceañeras, commissioning of new Liturgical Ministers and Rites for RCIA candidates. It is the strength of our prayers that has made our *Rise Again Campaign*, as important today as it was when we first started. Our prayers offered in solidarity and gratitude for all the families, groups and individuals who have so faithfully given since our campaign started. Let's continue to unite our commitment towards fulfilling our goal of paying off all construction costs. Through our *Rise Again Campaign* let us fulfill our goal of being a sign of hope and new birth for our community and those we serve.

PROTECTING OUR CHILDREN

Did you know?

Learn how to help children suffering from trauma

With mass shootings, natural disasters, and the social climate today, our children are living in a world that can be very scary at times. Children who have suffered from trauma, through abuse, loss, or another tragedy, may have different ways of viewing the world through the distorted lens of their fears and worries, and often need the help of trusted adults to guide them through their emotions. Many children use denial as their first coping method, so getting them to talk about what's happened and explore how they're feeling and what scares them now is important. Consider consulting someone with expertise in child development - a psychologist, counselor or experienced teacher might have suggestions as to how best support a child in the aftermath of a frightening experience. For a copy of the full VIRTUS® article "A Parent Handout for Helping Children Heal," visit <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>

¿Sabia Usted?

Aprenda cómo ayudar a los niños que sufren trauma -- Con los tiroteos en masa, los desastres naturales y el clima social de hoy, nuestros niños viven en un mundo que a veces puede ser muy aterrador. Los niños que han sufrido trauma, abuso, pérdida u otra tragedia pueden tener diferentes formas de ver el mundo a través de la distorsionada realidad de sus temores y preocupaciones. Por esta razón, estos niños con frecuencia necesitan la ayuda de adultos de confianza que los guíen a través de sus emociones. Muchos niños usan la negación como su primer método de afrontamiento, por lo que es importante que hablen sobre lo que sucedió y exploren cómo se sienten y qué los asusta ahora. Considere la posibilidad de consultar a alguien con experiencia en desarrollo infantil. Un psicólogo, un consejero o un maestro experimentado podría tener sugerencias sobre la mejor manera de ayudar a un niño después de una experiencia aterradora.
